

BRANHAM

A Branham Rockpile First: Grenache Blanc 2019! This world-wide favorite varietal is famous for its wide range of lively fruit, often described as “green richness”, with bold body and a complement to a wide range of foods. Branham’s wine is an un-oaked version that bursts with the green richness of Asian pear, green apple, young mango, white peach and lime zest. It is full-bodied, with crisp acid and a dry hint of spiciness that lingers on the palate.
